NEW BUSINESS

1. 2018 Redistricting study

Mr. Langshaw said that he reviewed the report and said that there are no dramatic population changes and he feels that we should keep the ward boundaries as they are currently. With some of the new developments and building that will be going on in the near future, it may be warranted to take a look at making changes the next time around. Mr. Kasaris and Mr. Antoskiewicz both shared this same opinion. Mayor Stefanik also felt that it was unnecessary to make any changes at this time. Mr. Nickell said that the changes proposed made sense to him, but agreed that it is not necessary at this time.
