**APPROVAL OF MINUTES**

**UNFINISHED BUSINESS**

1. **Oil and Gas appeal update**

Mayor Stefanik said that we should have a decision on the Cutter Oil case by mid-July. Mr. Kelly said that the Monroe Falls case is still pending. Mr. Kasaris asked what appellate rights Cutter would have should the court rule in our favor. Mr. Kelly said they could take it up to the Court of Common Pleas on an administrative appeal. They would follow the same standards as the city. He said that the court has the right to modify, as well as reverse or affirm. There is a possibility that they may be thinking about giving some additional direction to the chief of the division as to how to handle these matters.

**NEW BUSINESS**

1. **Ordinance 14-80/Office on Aging bus driver**

Mr. Kasaris asked if we are hiring a new bus driver to fill in for one who is out on medical leave. Mayor Stefanik said yes, we are not looking to replace him, but to just cover his hours for now. We would then have three van drivers working the same amount of hours for better coverage.
