Any request for an employee to be examined by said physician shall be made with just cause. In any event, an employee absent for more than two (2) tours of duty must supply a physician's report to be eligible for paid sick leave.

18.06 If the employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Department Head finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may, at the Department Head's sole discretion, be considered an unauthorized leave and shall be without pay. The attending physician's statement shall be deemed adequate proof unless the Employer has reason to suspect such report is erroneously supplied.

18.07 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline.

19.03 The Employer shall have the right to require the employee to have a physical exam by a physician appointed by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee's continuing to receive any benefits under this article. The physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the injury was

duty related or whether the Employer shall extend the period of leave. If there should be a conflict between the employee's physician and the physician appointed by the Employer, a third physician shall be selected by mutual agreement between the Employer and the employee, who shall share the cost equally.

19.04 It is the obligation of the employee to receive necessary medical treatment and return to work status at the earliest time permitted. If the attending physician(s) of an employee so certifies that the employee may return to temporary light or temporary restricted duty, the Employer, if it has suitable work for such employee, may insist that the employee return to work. If the employee refuses, the benefits of this article shall terminate at the end of the pay period in which the employee refused to return to work. Injuries shall be reported within twenty-four (24) hours of the day they occur. No benefits shall be allowed if said injury is not reported within such time, unless expressly approved of by the City Council.

21.01 Any employee who is called for jury duty shall be allowed to perform such duty without loss in pay, providing the employee turns in to the Employer all payments received by the employee for such duty. **The employee shall report for jury duty and be excused for the balance of his or her shift. The employee shall be paid for the entire 24 hours shift. Employees who are scheduled to work shall receive relief 12 hours before the start of jury duty.**

24.03 The above described days off shall be selected by rank and seniority from all available Kelly days and shall only be taken with the advance approval of the Chief and when the work shift is at full strength so the Employer will not be required to have another employee work for the employee requesting the time off. Said days shall not be accumulated to an unlimited amount and must be taken off within six (6) months from the date earned.

ARTICLE XLVIII

ARBITRATION PROCEDURE

48.01 In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of the Employer, then within ten (10) days after the rendering of the decision at Step 4 or a timely default by the Employer at Step 4, the Union may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to mutually agree upon an arbitrator of their own choosing. If such agreement is not reached, the union shall request from the American Arbitration Association (AAA) a list of fifteen (15) names. Such list of fifteen (15) names shall be submitted to the parties and the names will be stricken alternately until one name remains who shall be designated as the arbitrator to hear the grievance in question.

48.02 The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

48.03 The arbitrator shall not decide more than one (1) grievance on the same hearing day or series of hearing days, except with the mutual written agreement of the parties.

48.04 The hearing(s) shall be conducted pursuant to the Rules of Voluntary Arbitration of the American Arbitration Association.

48.05 The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party. In the event the arbitrator renders a “split” award, the arbitrator’s fees shall be split equally.

48.06 The arbitrator’s decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

48.07 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the Grievance and Arbitration Procedures herein contained.

11.04 Scheduling for non-probationary employees in the Patrol Division shall be by seniority. Shifts will not rotate. Probationary employees shall be scheduled at the discretion of

the Employer.

ARTICLE XII

OVERTIME

12.01 All employees while on active duty status, when performing assigned work in excess of forty (40) hours per week or eight (8) hours per day, shall be compensated at the rate of one and one-half (1 1/2) times the employee's regular hourly rate or compensatory time computed at the same rate for future use, as approved by the Chief. Employees assigned a ten (10) hour work shift shall not be eligible for overtime after eight (8) hours.

12.02 Any overtime hours worked may be paid in additional wages at the schedule overtime rates or the compensatory time may be accumulated carried over to the next calendar year, as the employee may elect. Should the Employer determine it necessary that employees accumulate compensatory time instead of receiving cash payment for overtime, due to financial circumstances, the employee will be notified of such determination prior to his actual working of said overtime. Accumulated compensatory time usage shall be subject to the approval of the Chief and shall not take preference over authorized vacation time. Accumulated compensatory time may be taken in increments of not less than one (1) hour.

12.03 Employees who work overtime may, as an alternative to payment for such time, elect to accumulate the time not to exceed two hundred forty (240) hours, to be taken at a later date as compensatory time, providing that such accumulation of compensatory time is at one and one-half (1 1/2) time. At the end of each calendar year, compensatory time banks shall be reduced to 200 hours and compensatory hours between 201-240 shall be paid in the first pay period in January at the prior year's rate of pay.

12.04 Any employee who works two (2) consecutive work shifts and calls in sick instead of working his next regularly scheduled work shift shall not be paid the above overtime rates for the second shift worked, unless such employee supplies the Employer with a valid physician's statement that he was sick and unable to work or takes a physical exam from a physician appointed and paid by the Employer certifying such employee was sick and unable to work. The Employer shall decide whether the employee must supply a physician's statement or take a physical examination.

12.05 Employees who are called in to work shall receive a minimum of two (2) hours pay at the overtime rate. The Employer reserves the right to require the employee to work a minimum of two (2) hours. Employees shall receive a minimum of two (2) hours pay at the overtime rate for court. Employees will not be required to stay the two (2) hour minimum by the Employer. Both are provided such times do not abut the employee's regularly scheduled work day.

12.06 When an employee is engaged in an arrest while off duty, that employee will receive pay for the hours spent on such arrest.

12.07 If an employee is placed on standby status by the Employer, that employee will receive a minimum of two (2) hours pay, or one (1) hour pay for every four (4) hours of such duty, whichever is greater.

12.08 If shift overtime results from the absence of a scheduled Sergeant, or any absence resulting in a lack of a shift Sergeant, a Sergeant shall have the right of first refusal. If there is no available Sergeant or the Sergeants decline the overtime opportunity, such shift opening will be filled according to Section 12.09.

12.09 Overtime for shift sick calls shall be filled from the shift immediately prior to the shift that is shorted by seniority. If no employee volunteers for the shift, then the least senior officer from the immediately prior shift shall be held over. Calls for shift overtime will be distributed in the following manner: 1) Uniformed patrol officers; 2) Uniformed specialized officers; and 3) Detective bureau. Seniority will be followed through each unit. The Union will be responsible for implementing and conducting the call in procedures with the approval of the Employer, which shall not be unreasonably denied.

ARTICLE XIII

SICK LEAVE

13.01 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; 3) serious injury, illness or death in the employee's immediate family; and/or 4) birth of a child (two week maximum when no medical complications exist).

13.02 All full-time employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours worked, excluding overtime, and will accumulate in accordance with the provisions of this Article.

13.03 An employee who is to be absent on sick leave shall notify the supervisor of such absence and the reason therefore at least one (1) hour before the start of his work shift each day he is to be absent.

13.04 Sick leave may be used in segments of one (1) hour.

13.05 Before an absence may be charged against accumulated sick leave, the Department Head may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Department Head and paid by the Employer. In the event, an employee absent for more than three (3) consecutive days must supply a physician's report to be eligible for paid sick leave.

13.06 If the employee fails to submit adequate proof of illness, injury or death upon

request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Department Head finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.

13.07 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Department Head.

13.08 The Department head may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined, by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

13.09 When the use of sick leave is due to serious illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's spouse and children. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's parents, spouse, child, brother, sister, grandparents, parents-in-law, brother-in-law and sister-in-law, aunts and uncles.

13.10 An employee who transfers from this Department to another Department of the Employer, shall be allowed to transfer his accumulated sick leave to the new Department, providing that his amount or accumulated sick leave shall not exceed the accumulation limit in effect in his new Department.

13.11 Any employee of the Employer hired between April 1, 1983 and December 31, 1988 who has accumulated sick leave earned from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer, shall be allowed to transfer said accumulation to his sick leave accumulation with the Employer, providing that such sick leave accumulation shall be limited to the existing maximum accruable amount in effect at the time of transfer in this Agreement.

13.12 Each employee who has accumulated in excess of nine hundred (900) hours sick leave and has not used all the sick leave hours accumulated since December 31st of the previous year may receive payment for the unused sick leave accumulated during that year to the ratio of one (1) hour of pay for each three (3) sick leave hours (one-third of sick leave accrual for that year) and one (1) hour for each three (3) sick leave hours (one-third of sick leave accrual for that year) will be added to the member's total accumulated sick leave. The eligible employee who has met the threshold amount of sick leave accumulation may, at his option, elect not to take the cash option but may continue to accumulate two-third (2/3) of his accrued sick leave for that calendar year. One-third of the annual unused sick leave shall be forfeited to the City each year upon accrual of the threshold amount. The option to cash out one-third time or to accumulate two-thirds must be made immediately after December 31st. Employees who opt for the cash conversion of sick leave will be paid in the first pay period in February at the prior year's rate of pay. Upon retirement of a full-time employee who has not less than ten (10) years of continuous

service with the Employer and is eligible to receive payments from a state pension plan, shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement multiplied by one-half (1/2) the total number of accumulated and unused sick leave hours, earned by the employee as certified by the Finance Director, providing that such resulting number of hours to be paid shall not exceed six hundred fifty (650) sick leave hours.

13.13 ~~An employee eligible for cash payment pursuant to paragraph 13.12, above, may, at his option, elect to take an early retirement with the monetary value of such cash payment being applied towards said early retirement.~~

13.14 An employee may, at the sole discretion of the Employer, as a result of injury or illness, be assigned light duty work.

ARTICLE XIV

INJURY LEAVE

14.01 When an employee is injured in the line of duty, he shall be eligible for a paid leave not to exceed ninety (90) calendar days per incident. In order to be eligible for injury leave the employee shall file a Workers Compensation claim for lost time, i.e., temporary total disability, and shall sign a waiver assigning all sums received by Workers Compensation to a maximum of ninety days or the amount of injury leave benefits advanced by the City. In the event Workers Compensation denies benefits to the employee, the employee shall reimburse the City one-half (1/2) of the injury leave received through reduction of all accrued leaves, current or future.

14.02 If at the end of this ninety (90) calendar day period, the employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional ninety (90) calendar day periods, or parts thereof

14.03 The Employer shall have the right to require the employee to have a physical exam by a physician appointed and paid by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee receiving any benefits under this article. The designated physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the Employer shall extend the period of leave or if the injury was duty related. If there is a conflict between the employee's and Employer's physicians, a third physician shall be consulted whose opinion shall govern. This third physician shall be selected by a mutual agreement between the Employer and the employee, who shall share the costs equally.

14.04 All employees are subject to the City's Transitional Work Program Policy.

ARTICLE XV

- d) Days - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays or Holidays as provided for in this Agreement.

39.03 The following procedures shall apply to the administration of all grievances filed under this procedure.

- a) Except at Step 1, all grievances shall include the name and position of the aggrieved party; the identity of the provisions of this Agreement involved in the grievance, the time and place where the alleged events or conditions constituting the grievance took place; the identity of the party responsible for causing the said grievance, if known to the aggrieved party; and a general statement of the nature of the grievance the redress sought by the aggrieved party.
- b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the aggrieved party and his representative, if any.
- c) If a grievance effects a group of employees working in different

locations, with different principals, or associated with an Employer-wide controversy, it may be submitted at Step 3, provided that a copy is submitted to the Police Chief.

- d) The preparation and processing of grievances shall be conducted during non-working hours.
- e) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter informally adjusted without the intervention of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the Employer in future proceedings.
- f) The aggrieved party may choose whomever he wishes to represent him at any step of this Grievance Procedure after Step 1.
- g) The existence of this Grievance Procedure, hereby established, shall not be deemed to require any employee to pursue the remedies herein provided and shall not impair or limit the right of any employee to pursue any other remedies available under law, except that any employee who pursues any other remedy other than provided by this procedure, shall automatically have waived and forfeited any remedies provided by this procedure.
- h) The time limits provided herein will be strictly adhered to any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- i) This procedure shall not be used for the purpose of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

39. 04 All grievances shall be administered in accordance with the following steps of the grievance procedure.

Step 1

An employee who believes he may have a grievance shall notify the designated Lieutenant of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance.

The Lieutenant will schedule an informal meeting with the employee and his Union director, if the director's presence is requested by the employee, within five (5) days of the date of the notice by the employee. The Lieutenant and the employee, along with the employee's director, if his presence is requested by the employee, will discuss the issue in dispute with the objective of resolving the matter informally.

Step 2:

If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the aggrieved party and presented as a grievance to the Chief of Police within five (5) days of the informal meeting or notification of the supervisor's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the supervisor fails to give the employee an answer. The Chief shall render his decision in writing within five (5) days of the receipt of the appeal.

Step 3:

If the aggrieved party is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the decision at Step 2. Copies of the written decision shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the aggrieved party, his representative and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee's representative with a copy to the employee if the employee requests one, within fifteen (15) days from the date of the hearing. If the aggrieved party is not satisfied with the decision at Step 3, he may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARTICLE XL

ARBITRATION PROCEDURE

40.01 In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of the Employer, then within ten (10) days after the rendering of the decision at Step 3 or a timely default by the Employer at Step 3, the aggrieved party may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to mutually agree upon an arbitrator of their own choosing. If such agreement is not reached, the union shall request from the American Arbitration Association (AAA) a list of seven (7) names. Such list of seven (7) names shall be submitted to the parties and the names will be stricken alternately until one name remains who shall be designated as the arbitrator to hear the grievance in question. Either party shall have the right to reject one list and request a second list of seven (7) names of arbitrators, one of whom shall be selected by the alternate strike method as provided in this section.

40.02 The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of an act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

40.03 The arbitrator shall not decide more than one (1) grievance on the same hearing day or series of hearing days, except by the written mutual agreement of the parties.

40.04 The hearing(s) shall be conducted pursuant to the Rules of Voluntary Arbitration of the American Arbitration Association.

40.05 The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party. In the event of a "split award", the fees of the arbitrator will be divided equally between the parties.

40.06 The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

40.07 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the Grievance and Arbitration procedures herein contained.

40.08 Employees who are reasonably necessary to the resolution of the grievance by providing factual information shall attend the arbitration hearing without the necessity of a subpoena and shall be compensated at the rate of one hour straight time their regular hourly wage. Any request made by either party for the attendance of a witness shall be made in good faith at no time shall the number of employees attending unreasonably effect the normal operations of the Department.

in each calendar month. If an employee has no pay due on that pay date, such amounts shall be deducted from the new or subsequent pay.

4.04 A check in the amount of the total dues withheld from those employees authorizing a dues deduction, shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

4.05 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages, if not caused by the Employer's negligence, which may arise from the performance of its obligations under this article and the Union shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE V MANAGEMENT RIGHTS

5.01 Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to: 1) hire, discharge, transfer, suspend and discipline employees; 2) determine the number of persons required to be employed, laid off or discharged; 3) determine the qualifications of employees covered by this Agreement; 4) determine the starting and quitting time and the number of hours to be worked by its employees; 5) make any and all rules and regulations; 6) determine the work assignments of its employees; 7) determine the basis for selection, retention and promotion of employees to or for positions not within the bargaining unit established by this Agreement; 8) determine the type of equipment used and the sequence of work processes; 9) determine the making of technological alterations by revising either process or equipment, or both; 10) determine work standards and the quality and quantity of work to be produced; 11) select and locate buildings and other facilities; 12) establish, expand, transfer and/or consolidate work processes and facilities; 13) consolidate, merge, or otherwise transfer any and all of its facilities, property, processes work with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes or work; 14) terminate or eliminate all or any part of its work or facilities.

5.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its workforce which the Employer has not specifically abridged, deleted, granted or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer.

5.03 General policies, procedures and rules or regulations which are to be of continuing duration, excluding special orders and changes in same, shall be in writing.

ARTICLE VI NO-STRIKE

6.01 The Union does hereby affirm and agree that it will not, either directly or indirectly, call, sanction, encourage, finance or assist in any way, nor shall any employee

instigate or participate, either directly or indirectly, in any strike, slowdown, walkout, workstoppage, or other concerted interference with or the withholding of services from the Employer.

6.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage and attempt to prevent any violation of this article. If any violation of this article occurs, the Union shall immediately notify all employees that the strike, slowdown, workstoppage, walkout, or their concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the Union and order all employees to return to work immediately. The Union shall not be held liable for the unauthorized activity of the employees it represents or its members who are in breach of this article, provided that the Union meets all of its obligations under this article.

6.03 It is further agreed that any violation of the above shall be sufficient grounds for immediate discharge or other disciplinary action.

6.04 The employer agrees that it will not lock-out any employee for the duration of this Agreement.

ARTICLE VII NON-DISCRIMINATION

7.01 The Employer and the Union agree not to discriminate against any employee(s) on the basis of race, religion, color, national origin, age, sex or disability.

7.02 The Union expressly agrees that membership in the Union is at the option of the employee and that it will not discriminate with respect to representation between members and non-members.

ARTICLE VIII PROBATIONARY PERIOD

8.01 All newly promoted employees will be required to serve a promotional probationary period of one (1) year. During such period, the Employer shall have the sole discretion to demote such employee(s) to his previous position, and any such demotion shall not be appealable through any grievance or appeal procedure contained herein or to any Civil Service Commission.

8.02 If any employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and shall be subject to the provisions of paragraphs 8.01 and 8.02.

ARTICLE IX ASSOCIATION REPRESENTATION

9.01 The parties recognize that it may be necessary for an employee representative of

the union to leave a normal work assignment while acting in the capacity of the representative. The Union recognizes the operation needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this paragraph, the representative must obtain approval from the officer in charge of the shift. The Employer will compensate a representative at the regular hourly rate for the time spent in the good faith processing of grievances at any meetings at which the Employer or employee requests a representative to be present when such employee is entitled to representation under this Agreement.

9.02 The Employer shall furnish the Union with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

ARTICLE X **LABOR-MANAGEMENT COMMITTEE**

10.01 There shall be a Labor-Management Committee consisting of not more than three (3) Union representatives and not more than three (3) Employer representatives. The Committee shall meet on the request of either party to discuss matters of mutual concern, excluding negotiated issues. The Committee may make recommendations to the Employer and the Union, but such recommendations shall be advisory only.

ARTICLE XI **DUTY HOURS**

11.01 The regular work week for all employees shall be eighty (80) hours bi-weekly on shifts of eight (8) hours per day. Employees shall not be scheduled to work double shifts as a part of the normal scheduling procedure. The Employer may implement a forty (40) hour workweek on shifts of ten (10) hours per day, according to Departmental needs.

11.02 An employee shall not normally be required to change scheduled duty hours once a schedule has been approved of by the Chief, without seven (7) calendar days advance notice, or unless an emergency circumstance occurs. Advance notice will include a dispatcher logging the entry of a change. The Employer will make a reasonable attempt to notify the employee of such change and the date of notice of a schedule change will constitute the first calendar day under this provision.

11.03 Monthly work schedules must be provided to employees a minimum of five (5) days prior to the effective date of said schedule. ***Probationary Sergeants shall be scheduled at the discretion of the Employer.***

11.04 Any Sergeant on the patrol schedule shall be deemed the patrol sergeant for the purpose of shift bids. Shifts shall consist of the same daily hours of work. No sergeant shall be required to work a "relief shift" which consists of two (2) or more shifts during any quarter.

Effective January 1, 2007, scheduling for the Patrol Division shall be by seniority. Shifts will not rotate. Scheduling will be by bid in yearly blocks in November of the previous year whereby Patrol Division Sergeants shall make, one-quarter at a time, four quarterly selections (picks) two of which will be designated as "priority picks." The Employer reserves the right to place and schedule Patrol Sergeants for one quarter of the non-priority picks.

In the event the Employer reassigns supervisory personnel of the bargaining unit at any time during this Agreement, the Employer may require a rebidding of the shifts.

11.05 Any employee assigned and required to attend a job related school, seminar or training session, except probationary employees attending mandatory courses shall be considered on duty during actual travel time, and be compensated at an appropriate straight time rate to include travel expenses and reimbursement for meals in accordance with current City policy.

ARTICLE XII **OVERTIME**

12.01 All employees while on active duty status, when performing assigned work in excess of forty (40) hours per week or eight (8) hours per day, shall be compensated at the rate of one and one-half (1 1/2) times the employee's regular hourly rate or compensatory time computed at the same rate for future use, as approved by the Chief. Employees assigned a ten (10) hour work shift shall not be eligible for overtime after eight (8) hours.

12.02 Any overtime hours worked may be paid in additional wages at the schedule overtime rates or the compensatory time may be carried over to the next calendar year, as the employee may elect. Should the Employer determine it necessary that employees accumulate compensatory time instead of receiving cash payment for overtime, due to financial circumstances, the employee will be notified of such determination prior to his actual working of said overtime. Accumulated compensatory time usage shall be subject to the approval of the Chief and shall not take preference over authorized vacation time. Accumulated compensatory time may be taken in increments of not less than one (1) hour.

12.03 Employees who work overtime may, as an alternative to payment for such time, elect to accumulate the time not to exceed two hundred forty (240) hours, to be taken at a later date as compensatory time, providing that such accumulation of compensatory time is at one and one-half (1 1/2) time. At the end of each calendar year, compensatory time banks shall be reduced to 200 hours and compensatory hours between 201-240 shall be paid in the first pay period in January at the prior year's rate of pay.

12.04 Any employee who works two (2) consecutive work shifts and calls in sick instead of working his next regularly scheduled work shift shall not be paid the above overtime rates for the second shift worked, unless such employee supplies the Employer with a valid physician's statement that he was sick and unable to work or takes a physical exam from a physician appointed and paid by the Employer certifying such employee was sick and unable to work. The Employer shall decide whether the employee must supply a physician's statement or

take a physical examination.

12.05 Employees who are called in to work shall receive a minimum of two (2) hours pay at the overtime rate. The Employer reserves the right to require the employee to work a minimum of two (2) hours. Employees shall receive a minimum of two (2) hours pay at the overtime rate for court. Employees will not be required to stay the two (2) hour minimum by the Employer. Both are provided such times do not abut the employee's regularly scheduled work day.

12.06 When an employee is engaged in an arrest while off duty, that employee will receive pay for the hours spent on such arrest.

12.07 If an employee is placed on standby status by the Employer, that employee will receive a minimum of two (2) hours pay, or one (1) hour pay for every four (4) hours of such duty, whichever is greater.

12.08 If shift overtime results from the absence of a scheduled Sergeant, or any absence resulting in a lack of a shift Sergeant, a Sergeant shall have the right of first refusal. If there is no available Sergeant or the Sergeants decline the overtime opportunity, such shift opening will be filled according to Section 12.09.

12.09 Overtime for shift sick calls shall be filled from the shift immediately prior to the shift that is shorted by seniority. If no employee volunteers for the shift, then the least senior officer from the immediately prior shift shall be held over. Calls for shift overtime will be distributed in the following manner: 1) Uniformed patrol officers; 2) Uniformed specialized officers; and 3) Detective bureau. Seniority will be followed through each unit. The Union will be responsible for implementing and conducting the call in procedures with the approval of the Employer, which shall not be unreasonably denied.

ARTICLE XIII

SICK LEAVE

13.01 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; 3) serious injury, illness or death in the employee's immediate family; and/or 4) birth of a child (two week maximum when no medical complications exist).

13.02 All full-time employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours worked, excluding overtime, and will accumulate in accordance with the provisions of this Article.

13.03 An employee who is to be absent on sick leave shall notify the supervisor of such absence and the reason therefore at least one (1) hour before the start of his work shift each day he is to be absent.

13.04 Sick leave may be used in segments of one (1) hour.

13.05 Before an absence may be charged against accumulated sick leave, the Department Head may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Department Head and paid by the Employer. In the event, an employee absent for more than three (3) consecutive days must supply a physician's report to be eligible for paid sick leave.

13.06 If the employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Department Head finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.

13.07 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Department Head.

13.08 The Department head may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined, by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

13.09 When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined to only include the care of employee's spouse, children, parents and parents-in-law. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's parents, spouse, child, brother, sister, grandparents, parents-in-law, brother-in-law and sister-in-law, aunts and uncles.

13.10 An employee who transfers from this Department to another Department of the Employer, shall be allowed to transfer his accumulated sick leave to the new Department, providing that his amount or accumulated sick leave shall not exceed the accumulation limit in effect in his new Department.

13.11 Any employee of the Employer hired between April 1, 1983 and December 31, 1988 who has accumulated sick leave earned from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer, shall be allowed to transfer said accumulation to his sick leave accumulation with the Employer, providing that such sick leave accumulation shall be limited to the existing maximum accruable amount in effect at the time of transfer in this Agreement.

13.12 Each employee who has accumulated in excess of ninety (90) days (720 hours) sick leave and has not used all the sick leave hours accumulated since December 31st of the previous year may receive payment for the unused sick leave accumulated during that year to the ratio of one (1) hour of pay for each three (3) sick leave hours (one-third of sick leave accrual for that year) and one (1) hour for each three (3) sick leave hours (one-third of sick leave accrual for

that year) will be added to the members total accumulated sick leave. The eligible employee who has met the threshold amount of sick leave accumulation (90 days) may, at his option, elect not to take the cash option but may continue to accumulate two-third (2/3) of his accrued sick leave for that calendar year. One-third of the annual unused sick leave shall be forfeited to the City each year upon accrual of the threshold amount. The option to cash out one-third time or to accumulate two-thirds must be made immediately after December 31st. Employees who opt for the cash conversion of sick leave will be paid in the first pay period in February at the prior year's rate of pay. Upon retirement of a full-time employee who has not less than ten (10) years of continuous service with the Employer and is eligible to receive payments from a state pension plan, shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement multiplied by one-half (1/2) the total number of accumulated and unused sick leave hours, earned by the employee as certified by the Finance Director, providing that such resulting number of hours to be paid shall not exceed six hundred fifty (650) sick leave hours.

13.13 ~~An employee eligible for cash payment pursuant to paragraph 13.12, above, may, at his option, elect to take an early retirement with the monetary value of such cash payment being applied towards said early retirement.~~

13.14 An employee may, at the sole discretion of the Employer, as a result of injury or illness, be assigned light duty work.

ARTICLE XIV INJURY LEAVE

14.01 When an employee is injured in the line of duty, he shall be eligible for a paid leave not to exceed ninety (90) calendar days per incident. In order to be eligible for injury leave the employee shall file a Workers Compensation claim for lost time, i.e., temporary total disability, and shall sign a waiver assigning all sums received by Workers Compensation to a maximum of ninety days or the amount of injury leave benefits advanced by the City.

14.02 If at the end of this ninety (90) calendar day period, the employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional ninety (90) calendar day periods, or parts thereof.

14.03 The Employer shall have the right to require the employee to have a physical exam by a physician appointed and paid by the Employer resulting in the physician's certification that the employee is unable to work due to the injury as a condition precedent to the employee receiving any benefits under this article. The designated physician's opinion shall govern whether the employee is actually disabled or not, but shall not govern whether the Employer shall extend the period of leave or if the injury was duty related. If there is a conflict between the employee's and Employer's physicians, a third physician shall be consulted whose opinion shall govern. This third physician shall be selected by a mutual agreement between the Employer and the employee, who shall share the costs equally.

14.04 All employees are subject to the City's Transitional Work Program Policy.

ARTICLE XV

JURY DUTY

15.01 Any employee who is called for jury duty, either Federal, County or Municipal, shall be paid his or her regular salary for any work time lost, less and compensation received from such court for jury duty, as provided for in the Ohio Revised Code.

38.14 Records of disciplinary action shall cease to have force and effect or be considered in future disciplinary matters twelve (12) months after their effective date for counseling and written reprimands, and twenty-four (24) months after their effective date for suspensions of three (3) days or less providing there is no intervening discipline during these time frames. Suspensions of four (4) days or more will not be considered in future disciplinary actions after forty-eight (48) months proving there is no intervening disciplinary action.

ARTICLE XXXIX GRIEVANCE PROCEDURE

39.01 Every employee shall have the right to present his grievance in accordance with the procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and except at Step 1, shall have the right to be represented by a person of his own choosing at all stages of the Grievance Procedure. It is the intent and purpose of the parties to this Agreement that all grievance shall be settled, if possible, at the lowest Step of this procedure.

39.02 For the purposes of this procedure, the below listed terms are defined as follows:

- a) Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication or misinterpretation of the specific and express written provisions of this Agreement.
- b) Aggrieved party - The "aggrieved party" shall be defined as only any employee or group of employees within the bargaining unit actually filing a grievance.
- c) Party in Interest - a "party in interest" shall be defined as any employee of the Employer named in the grievance who is not the aggrieved party.

- b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the aggrieved party and his representative, if any.
- c) If a grievance effects a group of employees working in different locations, with different principals, or associated with an Employer-wide controversy, it may be submitted at Step 3, provided that a copy is submitted to the Police Chief.
- d) The preparation and processing of grievances shall be conducted during non-working hours.
- e) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter informally adjusted without the intervention of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the Employer in future proceedings.
- f) The aggrieved party may choose whomever he wishes to represent him at any step of this Grievance Procedure after Step 1.
- g) The existence of this Grievance Procedure, hereby established, shall not be deemed to require any employee to pursue the remedies herein provided and shall not impair or limit the right of any employee to pursue any other remedies available under law, except that any employee who pursues any other remedy other than provided by this procedure, shall automatically have waived and

forfeited any remedies provided by this procedure.

- h) The time limits provided herein will be strictly adhered to any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- i) This procedure shall not be used for the purpose of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

39.04 All grievances shall be administered in accordance with the following steps of the grievance procedure.

Step 1:

An employee who believes he may have a grievance shall notify the designated Lieutenant of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. The Lieutenant will schedule an informal meeting with the employee and his Union director, if the director's presence is requested by the employee, within five (5) days of the date of the notice by the employee. The Lieutenant and the employee, along with the employee's director, if his presence is requested by the employee, will discuss the issue in dispute with the objective of resolving the matter informally.

Step 2:

If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the aggrieved party and presented as a grievance to the Chief of Police within five (5) days of the informal meeting or notification of the supervisor's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the supervisor fails to give the employee an answer. The Chief shall render his decision in writing within five (5) days of the receipt of the appeal.

Step 3:

If the aggrieved party is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the decision at Step 2. Copies of the written decision shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the aggrieved party, his representative and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee's representative with a copy to the employee if the employee requests one, within fifteen (15) days from the date of the hearing. If the aggrieved party is not satisfied with the decision at Step 3, he may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

ARTICLE XL

ARBITRATION PROCEDURE

40.01 In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of the Employer, then within ten (10) days after the rendering of the decision at Step 3 or a timely default by the Employer at Step 3, the aggrieved party may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to mutually agree upon an arbitrator of their own choosing. If such agreement is not reached, the union shall request from the American Arbitration Association (AAA) a list of seven (7) names. Such list of seven (7) names shall be submitted to the parties and the names will be stricken alternately until one name remains who shall be designated as the arbitrator to hear the grievance in question. Either party shall have the right to reject one list and request a second list of seven (7) names of arbitrators, one of whom shall be selected by the alternate strike method as provided in this section.

40.02 The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of an act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

40.03 The arbitrator shall not decide more than one (1) grievance on the same hearing day or series of hearing days, except by the written mutual agreement of the parties.

40.04 The hearing(s) shall be conducted pursuant to the Rules of Voluntary Arbitration of the American Arbitration Association.

40.05 The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party. In the event of a "split award", the fees of the arbitrator will be divided equally between the parties.

40.06 The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

40.07 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the Grievance and Arbitration procedures herein contained.

40.08 Employees who are reasonably necessary to the resolution of the grievance by providing factual information shall attend the arbitration hearing without the necessity of a subpoena and shall be compensated at the rate of one hour straight time their regular hourly wage. Any request made by either party for the attendance of a witness shall be made in good faith at no time shall the number of employees attending unreasonably effect the normal

operations of the Department.
