To whom it may concern:

My name is Joe Krzywicki and I am a Life Scout in Troop 526 working toward my Eagle rank. I am working on my Eagle Project. For my project, I am working at the Nature Center at Valley Vista Elementary in North Royalton. I plan to create an outdoor classroom and a bird watching area. For the classroom, I am installing 3 picnic tables, more if I raise enough money. The picnic tables will be maintenance free and cost around \$800 each. For the bird watching area, I am installing bird houses and feeders in an existing area. I am also creating identification cards for plants and animals that the teachers can use when teaching outside. I would be happy to answer any questions you might have by phone, letter, or email.

I am requesting a donation to help with the funding of my Eagle Project. It is my goal to raise over \$3,500 to pay for the 3 picnic tables and the rest of my project materials and supplies. Any monetary donation would be appreciated. Donations by check can be made out to North Royalton City Schools with Nature Center Eagle Project in the memo space and sent to me. Funds will be held in an account with the schools until it is time to order the materials. Any cash received will also be placed in this account. You will receive a letter acknowledging your donation for tax purposes.

I hope to have the project completed so that the students in our district can enjoy the updated nature center during the 2014-2015 school year. Thank you for your consideration of my Eagle Project.

Sincerely,

Joe Krzywicki
