Royalton Rd Widening (Spruce Run to York Road)

100% final plans have been delivered to the City and the County is out for public bid on this project as of April 9, 2018. Bids are scheduled to be opened on May 2, 2018. This project is scheduled to begin construction in 2018 with most of that work being utility relocations. Columbia Gas is currently relocating the gas main along this project limit.

Abbey Road Bridge Replacement (near Sprague Road) – **Bridge will be closed starting May 1st!**

Cuyahoga County is planning to replace the beams on this bridge deck around May 1, 2018. This will require the bridge to be closed for a period of approximately 6 months while this work is being performed. A detour route has been approved and will be posted prior to construction. This detour route will be utilizing Sprague W. Road,

130th Street and Albion Road to detour around construction. Detour routes will be posted. Work is anticipated to be completed in July this year.

REMINDER:

With the fall/winter seasons upon us, it is important to remember your responsibility as a homeowner to keep all ditches, swales and drainage ways on your property "free and clear".

New Subdivisions

Pinestream Subdivision (Phase 7)

The final phase of this subdivision has been constructed and approved. Homes are currently under construction for the newly created 16 lots between Hedgebrook Drive and Waterbridge Drive.

Meadowview Subdivision (Abbey Road)

A new 37 lot subdivision has been approved by the City of North Royalton on Abbey Road just south of Pinebrook Estates. A preconstruction meeting is occurring on April 25th and construction will begin by months end. Clearing of the property has been approved to commence immediately so as to meet Federal guidelines regarding endangered species and their respective roosting seasons.

2018 City Road Program

This year's road program will consist of S. Akins Road (York Road to Bennett Road) and Edgerton Road (Bennett Road to east of Ridge Road). The Edgerton Road project is being partially funded by Cuyahoga County's 50/50 Program, which will provide a maximum of \$250,000 towards the resurfacing of this roadway. Both projects were publicly bid and awards were approved at the Council meeting of April 3, 2018 and construction will begin on or before April 30, 2018. This is the earliest the road program has been awarded in recent history.
