

Memo to City Council
2014 City of North Royalton Street Rehabilitation Program
Page 2 of 3

*** Asphalt Streets – Planing with Asphalt Overlay ***

<u>Contractor</u>	<u>BID AMOUNT</u>
1.) Specialized Construction, Inc.	\$ 437,349.24
2.) Crossroads Asphalt Recycling, Inc.	\$ 27,386,768.52* (original submitted bid was \$ 392,164,52)
3.) Barbicas Construction Co., Inc.	\$ 444,281.65
4.) Burton Scot Contractors, LLC	\$ 430,920.00
4.) Chagrin Valley Paving, Inc.	\$ 426,556.80
<i>Engineer's Opinion of Probable Cost</i>	\$ 443,641.59

(Please note that all bids include an 8% contingency.)

* The Bid amount is excessive because the Contractor bid "Line Item No. 23, Miscellaneous Metals" with a total unit price of \$5,000.00 (per pound). The total Quantity for Line Item No. 23 is 5,000 lbs. Therefore, the total cost for Line Item 23 is: 5,000 lbs x \$5,000.00/pound = \$25,000,000.00, hence resulting the large verified bid amount.

The Engineering Department has consulted with the Law Department and has determined that all bids for this particular program shall be rejected and authorization to re-bid shall be requested immediately.

Ordinance 14-67
Exhibit A

City of North Royalton
2014 Asphalt Pavement Rehabilitation with Asphalt Overlay

BID TABULATION (Bid Opening held on Monday, April 28, 2014 at 12:00 PM)

NOTE: BOLD RED FONT INDICATES MATHEMATICAL ERROR
IN IN SUBMITTED BID - Corrected value shown to Quantity Bid
