### A Message From Mayor Stefanik

Thank you for your continued support and participation in our recycling programs. The importance of recycling continues to grow as trash costs rise, and all solid waste is disposed at area transfer stations.

We're excited to announce an upgrade for our curbside recycling program. Starting May 1, 2017 North Royalton will enter into a new agreement with our hauler Rumpke Waste & Recycling who will provide all residents a 64-gallon recycling cart. Delivery of carts will occur before May 1st.

Recycling in North Royalton is easier than ever. Our program accepts a wide variety of items (see list on P. 2). Simply mix all acceptable items loose, not bagged, in the new green cart—no separation and no plastic bags needed. Curbside pickup occurs weekly.

We hope everyone participates in the many service programs provided in our city. This brochure includes guidelines about recycling, yard waste and white goods collection, and the schedule for affected holidays.

If you have any questions about any of these services, please contact the Service Department, Monday through Friday, at 440-582-3002 between 8:00 a.m. and 4:30 p.m.

Thank you,  
*Bob Stefanik, Mayor*
